

The background is a vibrant, stylized illustration of a jungle. It features various types of green leaves, including large monstera leaves with holes and palm fronds. A thick, brown vine with orange-colored sections winds across the top. In the bottom left corner, the head and shoulder of a jaguar with orange and black spots are visible, partially hidden by the foliage.

## Wanted: Brave Souls for a perilous expedition

Helpers are urgently required for the retrieval of priceless treasures from the Jaguar's Tomb. It is said to be guarded by ancient traps, collapsing stone, wild beasts, and puzzles beyond comprehension. Many have tried to beat it and failed - could you be victorious?

Join us at St Matthew's Church on Thursday 5<sup>th</sup> March at 6pm for a fun evening of Escape Room puzzles and challenges, as well as a talk from the Bible.
